My favorite thing to bake is basbousa. This is how you make it. First, you need to turn your oven on to get it hot. Then weigh out the ingredients. Then you mix the semolina, coconut, sugar and melted butter. You should mix these ingredients by hand. I love doing this! Then you add the yogurt and pour the mixture into a baking dish. You can use a knife to make diamond shapes on top of the basbousa. Put an almond on each diamond. It looks really pretty. Bake the basbousa in the oven for 30 minutes.
